(Resolution 8)

By Order of the Board

Cho Form Po
Company Secretary
Singapore, 11 April 2017

Explanatory Notes:

- (i) Ordinary Resolution 6 above is to approve the appointment of Deloitte & Touche LLP ("Deloitte") as auditors of the Company in place of the retiring auditors, Foo Kon Tan LLP ("FKT"), and to authorise the Directors to fix their remuneration.

FKT, the retiring auditors, has served as external auditors of the Company since the financial year ended 31 December 2011. The Board is of the view that the change of external auditors to Deloitte for the financial year ending 31 December 2017 is in the best interests of the Company (together with its subsidiaries, the "Group") and its shareholders as the operations of the Group continue to expand and the appointment of a bigger audit firm will provide better support to the Group.

The Audit Committee has reviewed and deliberated on the proposed change of auditors and has recommended that Deloitte be appointed in place of the retiring auditors, after taking into consideration the suitability of Deloitte and the requirements of Rules 712 and 715 of the Listing Manual (Section B: Rules of Catalist) of the Singapore Exchange Securities Trading Limited (the "Catalist Rules").

The Directors have taken into account the Audit Committee's recommendation, and considered factors such as the adequacy of the resources and experience of Deloitte, and the persons to be assigned to the audit, Deloitte's audit engagements, the size and complexity of the Company and its subsidiaries and the number and experience of Deloitte's supervisory and professional staff to be assigned to the audit, and is satisfied that Deloitte will be able to meet the audit requirement of the Company. Accordingly, the Directors recommend the appointment of Deloitte as the auditors of the Company in place of the retiring auditors, FKT.

FKT has confirmed that it is not aware of any professional reasons why Deloitte should not accept the appointment as auditors of the Company.

The Company confirms that there were no disagreements with FKT on accounting treatments within the last 12 months. The Company confirms that it is not aware of any circumstances connected with the change of auditors that should be brought to the attention of the shareholders of the Company.

The Company confirms that it has complied with Rules 712 and 715 of the Catalist Rules in relation to the appointment of Deloitte as auditors of the Company.

- (ii) Ordinary Resolution 7 above, if passed, will empower the Directors of the Company, effective until the conclusion of the next Annual General Meeting ("AGM") of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, up to a number not exceeding, in total, 100% of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to 50% may be issued other than on a pro-rata basis to shareholders.

For determining the aggregate number of shares that may be issued, the total number of issued shares (excluding treasury shares) will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Ordinary Resolution is passed after adjusting for new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when this Ordinary Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.

- (iii) Ordinary Resolution 8 above, if passed, renews the Share Buy-Back Mandate and will authorise the Directors of the Company, from time to time, to purchase Shares subject to and in accordance with the Constitution of the Company, the Catalist Rules and such other laws and regulations as may for the time being be applicable. The Company may use internal sources of funds, external borrowings, or a combination of both to finance the Company's purchase or acquisition of the Shares.

The amount of funding required for the Company to purchase or acquire the Shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on, inter alia, the number of Shares to be purchased or acquired, the price at which such Shares are to be purchased or acquired, and whether the Shares to be purchased or acquired are cancelled or held as treasury shares. Based on certain assumptions, an illustration on the financial impact of a purchase or acquisition of Shares by the Company pursuant to the Share Buy-Back Mandate on the audited financial statements of the Company for the financial year ended 31 December 2016 is set out in Section 6 of the Appendix dated 11 April 2017, which is enclosed together with the Company's Annual Report.
